

## Annual Scientific Meeting – February 3<sup>rd</sup> – February 7<sup>th</sup>, 2019 Fairmont Banff Springs, Alberta

### Session Learning Objectives:

- Create new knowledge through the dissemination of research involving clinical and epidemiological studies in pediatric emergency medicine.
- Enhance the image of pediatric emergency medicine as a credible academic discipline with its own research agenda.
- Develop cohesiveness between centers involved in the practice of pediatric emergency medicine.

### Guest Speaker - Dr. Anupam Kharbanda

- Dr. Kharbanda joins us from Children's Minnesota, Minneapolis, where he is the Chief of critical care and pediatric emergency medicine.
- **Presentation title:** Pediatric Appendicitis: Advancing Quality and Safety
- **Learning Objectives:**
  - This presentation will review the current state of appendicitis evaluation and management in the Emergency Department setting as well as gaps in quality that exist nationally.
  - Methods to improve diagnosis will also be discussed.
